

Exercise 9.2: Orthogonal impulse response functions

impulse = log U.S. GDP
response = log U.S. GDP

impulse = log U.S. gross domestic private investm
response = log U.S. GDP

impulse = log U.S. GDP
response = log U.S. gross domestic private investr

impulse = log U.S. gross domestic private investm
response = log U.S. gross domestic private investr
